## KANSAS EVERGREEN NURSERIES

501 S. 17th St.  
Manhattan, Kansas

Branch Office in Topeka, Kansas and Associated with the  
Kansas Landscape & Nursery Co., Salina, Kansas

### GUARANTEE

Nursery stock is more or less of a perishable nature. Improper care after receiving, undue exposure or undesirable soil, also injurious insects and diseases, which may be contracted, neglect after planting, over which we have no control, may cause nursery stock to die regardless of how thrifty and healthy it may have been when delivered, and under these circumstances we cannot guarantee it to grow. We do not warrant in any way, express or implied, the contents, or the description, purity, productiveness, or any other matter of any seeds, bulbs, plants, or trees sold by us, and we will not in any way be responsible for the crop. We will, however, replace or refund the original purchase price of any plants, shrubs or trees that are not labeled true to name, and will replace at half retail price any plants, shrubs, or trees, that fail to grow, provided these have been given reasonable care, and providing the original bill of sale has been paid in full and is presented.

Labor necessary for replacement charged at full price.

It is mutually agreed between the purchaser and ourselves that we will not be held for any greater amount than the original purchase price.

This guarantee expires August 1st, following purchase.

### EVERGREENS

Specimen trees balled and burlaped—Tall growing varieties—

	12-18"	18-24"	2-3'	3-4'	4-5'	5-6'	6-7'
